Hi Sara

How are you?

I hope things are well with you and at NDARC.

I just watched the great webinar you hosted on Medicinal Cannabis with Llew Mills.

I am writing a report on MC for the Australian commission for safety and quality in health care through the research centre I'm working got at Uni SA.

I was looking to get hold of Llew about the study they're about to present on how people get their MC, either through Health practitioners or the Cannabis clinics. The paper is under consideration but I'm hoping to use some of their data.

I was wondering if you could forward me Llew's best contact details.

Thanks and hopefully talk soon,

Duncan
