Postdoctoral Researcher, Specialty of Addiction Medicine, University of Sydney; Drug and Alcohol Services, South Eastern Sydney Local Health District; and National Drug and Alcohol Research Centre.

Dear Llew,

The committee and organisers of ACannabis 2022 would like to thank you for speaking at our virtual conference.

Your generosity of time was greatly appreciated, including your time on the day, but just as importantly, the time required for the content preparation and the added technical 'online' requirements. It was an honour to have you involved, and the committee is truly grateful.

We believe the knowledge you shared will have a lasting impact on the delegates, and many have already 'dropped' back into the conference to review and re-watch your session, which is available until 16<sup>th</sup> April 2022.

Again, many thanks for your support of the Australian medicinal cannabis industry and your time in preparing and presenting at ACannabis.

We look forward to your participation in future events.

Kind Regards

Peter Crock
