Dear Professor Lintzeris,

Re: Letter of Congratulations

On behalf of the Faculty and Medicine and Health (FMH), I would like to congratulate you on your award of a NHMRC Clinical Trials and Cohort Studies Grant for the project *A randomised controlled trial of cannabidiol (CBD) in the treatment of cannabis dependence*.

As you may know, you have been awarded a total of \$2,120,138, commencing in 2022.

The award will be publicised more broadly in the coming weeks as the results are currently under embargo. This means any public acknowledgement of the award cannot yet be made.

The FMH Research Support Team can provide you with assistance as you set up your project, maintain your project including your budget, and milestone reports, as well as the procedures when closing the project. The Research Support Team can be contacted via your relevant precinct email address: fmh.research-sydney@sydney.edu.au.

We wish you all the best for your project.

Regards,

Professor Robyn Ward
Executive Dean and Pro Vice-Chancellor Medicine and Health
Faculty of Medicine and Health
